A Need Love (Henry L Remix)

AA Need Love (Original)

Need Love (Henry L & Ingo Sänger's Disco Dub)

Always excited by the deep & moving House sounds of Berlin based **Paskal** on labels like **Wildtrackin'** or **Room With A View** and of course the fantastic **Alton Miller Remix** on **ProgCity Deep**, it's a pleasure to have him on board for **Farside Records**.

He teams up with Essen's **Urban Absolutes** who already caused a stir with his EP on **Phonique's** label **Ladies & Gentlemen**.

Together they present the "**Need Love EP**" with the overwhelming original "**Need Love**" version, as well as a bassheavy **Henry L** remix and a funky Disco Dub rework by **Henry L** alongside **Westpark Unit & Farside's Ingo Sänger**.

The original version of "**Need Love**" is a sexy & slow percussion driven monster with a huge bassline that creeps into your ear and never leaves. The haunting vocal hook completes the beautiful late night journey.

Farside's funk phenomena **Henry L** is one of the most upcoming producers in the worldwide House circle and already very well established in the Drum & Bass world as part of the **Triad** crew. **Henry L** turns the epic original version into a techy & bumping club monster with a killer Reese bassline. Still kinda midtempo and, as you might expect, with the special **Henry L** groove.

Last, but not least **Henry L** teams up with **Westpark Unit** member & **Farside's Ingo Sänger** to mash up the House & (Nu-) Disco Floors. After their successful teamwork for Berlin's **Falkplatz Records** on a **Ron Deacon** tune, this is their second Disco Dub workout. Groovin' on a groove!
